### LOK SABHA

The following Bills were introduced in Lok Sabha on the 14th May, 1979:—

#### BILL No. 71 OF 1979

*A Bill to amend the Hindustan Tractors Limited (Acquisition and Transfer of Undertakings) Act, 1978.*

Be it enacted by Parliament in the Thirtieth Year of the Republic of India as follows:—

1. This Act may be called the Hindustan Tractors Limited (Acquisition and Transfer of Undertakings) Amendment Act, 1979.

Short title.

13 of 1978.

2. In section 5 of the Hindustan Tractors Limited (Acquisition and Transfer of Undertakings) Act, 1978 (hereinafter referred to as the principal Act), in sub-section (2), in clause (b), the following shall be, and shall be deemed always to have been, inserted at the end, namely:—

Amendment of section 5.

“, but excluding loans advanced, on or after such date, by a bank to the Company to the extent such loans have been utilised by the Company for the re-payment of, or the payment of interest on, secured loans advanced to the Company by a bank at any time before such date”.

3. In the Schedule to the principal Act, in Category III, after the words “Secured loans”, the following shall be, and shall be deemed always to have been, inserted, namely:—

Amendment of the Schedule.

“, including loans advanced, on or after the date of taking over, by a bank to the Company to the extent such loans have been utilised by the Company for the re-payment of, or the payment of interest on, secured loans advanced to the Company by a bank at any time before the date of taking over”.

## STATEMENT OF OBJECTS AND REASONS

The Government of India assumed the management of Hindustan Tractors Limited, Vishwamitri, Baroda in March, 1973 under the Industries (Development and Regulation) Act, 1951, and appointed Gujarat Agro Industries Corporation as its Authorised Controller for a period of five years. The undertakings of the Company were acquired by the Central Government with effect from the 1st April, 1978, on the enactment of the Hindustan Tractors Limited (Acquisition and Transfer of Undertakings) Act, 1978. The undertakings were vested on the same date in the State Government of Gujarat and a new company in the name of Gujarat Tractor Corporation Ltd. has also been formed to carry on the activity.

2. Section 5 of the Act specifies the manner in which the liabilities of the Hindustan Tractors Limited prior to the taking over of the management of the Company and after the taking over of the management of the Company should be taken care of. According to this section, liabilities arising in respect *inter alia* of secured loans advanced by a bank to the Company before the date of taking over shall be enforceable against the Company. According to Part B of the schedule to the Act, secured loans relating to the pre-take over management period fall within Category III priority and the intention of the Act was that the secured loans advanced by banks to the Company before the take over of the Company should be met from out of the amount payable to the Company for the transfer to, and vesting in, the Central Government of the undertakings of the Company under section 8 of the Act. It was envisaged that the secured loans advanced by the State Bank of India to the Company before the take over of the Company would qualify for payment under Category III of Part B of the Schedule and this consideration was taken into account in determining the amount which has been specified in section 8 as the amount payable to the Company. On further examination, it has been discovered that in view of the accounting treatment given in the books of the State Bank of India by reason of the adjustment of the loans given by the bank after the take over against the secured loans given by the Bank to the Company before the take over, all the amounts due to the State Bank have to be treated as post-take over loans. The post-take over loans which were advanced by the State Bank of India to the extent they were utilised for meeting the pre-take over secured loans advanced by the bank to the Company should be entitled to the same treatment to which the pre-take over secured loans which were so defrayed would have been entitled. The amendments proposed in the Bill are for the purpose of securing this position.

GEORGE FERNANDES.
